

# 37 SERIES

## INTERIOR / EXTERIOR IP CAMERA

The 37 series IP camera provides excellent picture quality in full HD 1080p resolution. The camera's mini dome design takes up very little space and can easily be mounted on the interior or exterior of the vehicle. With built-in IRs for night vision up to 30m, a high and wide dynamic range to display details in the brightest and darkest areas, allows the small but powerful 37 series IP camera to deliver outstanding video no matter the time of day.
